HICAP open enrollment

HICAP (Health Insurance Counseling & Advocacy Program) is the nonprofit service that provides free, confidential one-on-one counseling about Medicare for Medicare beneficiaries and their families. State-registered and trained volunteer counselors can answer your questions and help you understand your Medicare benefits and rights, including how to appeal denials of coverage; Medicare supplemental insurance (Medigap policies); Medicare Advantage plans; employee and retiree coverage; and long-term care insurance. Legal help and representation at Medicare appeals or administrative hearings are also available.

HICAP is now preparing for the Medicare Open Enrollment Period (October 15 through December 7) for coverage that begins in 2017. Open Enrollment is when Medicare rolls out new Part C (Medicare Advantage) and Part D (Prescription Drug) plans, allowing beneficiaries to shop around and switch if they

find something that saves them money or is better suited to their current needs.

This is also the time when insurance companies flood beneficiaries with literature and phone calls that tend to confuse and mislead. If you have Medicare-related questions, contact HICAP at (650) 627-9350 to arrange a consultation. State-registered counselors meet with clients at various sites in the county, or home visits can be arranged in the case of homebound seniors.

Plan to join us at our next Coffee Connection where you will have a chance to hear a presentation from a HICAP Representative. Mark your calendar for Wednesday, September 28th from 10:30am - 12pm at the RWC Veterans Memorial Center, 1455 Madison Avenue in the Sunset Room. RSVP: SV office no later than September 23 at info@villagesofsmc.org or 650-260-4569. Please indicate if you are bringing a guest, and members, let us know if you do or do not need a ride.

A Matter of Balance

Managing Concerns About Falls

Many older adults experience concerns about falling and restrict their activities. MATTER OF BALANCE (M of B) is a collaborative project of both Sequoia Hospital and Stanford Hospital and Clinics that is geared to the older adult who may have a fear of falling. Utilizing a curriculum that includes lectures, group discussions, role playing and other techniques, this free workshop emphasizes practical strategies to reduce this fear and increase activity levels.

Participants learn to view falls and fear of falling as controllable; set realistic goals to increase activity; change their environment to reduce fall risk factors; and exercise to increase strength and balance. Beginning in the third session, exercises are a part of each class session.

Participants meet for eight, two-hour sessions. The class will be coached by our own Nancy Agronin and Stephanie Meyer.

Signups will be at the San Carlos Adult Center. If you have questions you can email Stephanie (storylady@mac.com) or Nancy (agronin@sbcglobal.net)

with the IRS will not be a call or email from out of the blue, but through official correspondence sent through the mail.

If you get a phone call from someone claiming to be from the IRS, here's what you should do:

- If you know you owe taxes or you think you might owe taxes, call the IRS at 1.800.829.1040. The IRS employees at that line can help you with a payment issue, if there really is such an issue.
- If you know you don't owe taxes or have no reason to think that you owe any taxes (for example, you've never received a bill or the caller made some bogus threats as described above), then call and report the incident to TIGTA at 1.800.366.4484.
- You can file a complaint using the FTC Complaint Assistant; choose "Other" and then "Imposter Scams." If the complaint involves someone impersonating the IRS, include the words "IRS Telephone Scam" in the notes.

If you get an unsolicited email that appears to be from the IRS, please report it by sending it to phishing@irs.gov.

If you find a suspicious website that claims to be the IRS, please send the site's URL by email to phishing@irs.gov, using the subject line: suspicious website.

...from the San Mateo County Sheriff: The San Mateo County Sheriff's Office has issued a warning to the public to beware of phone calls from individuals fraudulently representing themselves as sworn officers from the San Mateo County Sheriff's Office. Potential victims are told they must pay fees for failure to appear for jury duty, and the imposter insists they pay the fee by purchasing a prepaid "green dot card" or be subjected to arrest. The San Mateo County Sheriff's Office, or any law enforcement, will never contact a member of public demanding that they pay any fees and/or fines and be subjected to arrest if they fail to comply.
